

Research Award 2015

Ministry of National Guard Health Affairs through King Abdullah International Medical Research Center (KAIMRC) directed by the Corporative Nomination Committee for Research Awards is pleased to announce that all MNGHA affiliated Staff including King Saud bin Abdulaziz University for Health Sciences (KSAU-HS) and King Abdullah International Medical Research Center (KAIMRC) are invited to nominate themselves for the 8th Annual Research Award 2015 for one of the following categories:

- 1. SENIOR RESEARCHER AWARD**
- 2. RESEARCHER AWARD**
- 3. YOUNG RESEARCHER AWARD**

The nomination process starts on Saturday, August 1st 2015, and runs through September 15th 2015; the online form is available on KAIMRC website and MNGHA intranet website for the nominees.

The form requires documented research activities such as published papers, conference communication, book chapters, dissertation, thesis, patent certificate, research grant agreement and other related activities. Further detailed information about the award is available in Research Award APP# 1429 - 28. For researchers who nominated themselves last three years, we encourage them to update their applications and submit to the appropriate Research Award Category. We also welcome and accept new applicants to participate in this award.

Good luck and we look forward to your participation.
