

# Find A Location

## User Guide

## Service description

The service providing search engine for MNGHA clinics locations and contact information to facilitate visitors to reach out MNGHA clinics.

## Service Usage

1- To access the service, Go to

<https://www.ngha.med.sa/English/eServices/Pages/ServiceDetails.aspx?ItemID=47>

2- From E-Services Select “website e-Services”

The screenshot shows the MNGHA website interface. The top navigation bar includes 'About MNGHA', 'News', 'Contact Us', and 'عربي'. The 'E-Services' menu is highlighted. Below the menu, the 'E-Services' section is displayed with a breadcrumb 'Home > E-Services'. The 'Website Services' sub-menu is selected, showing three service cards: 'Find a Location', 'Find a Physician', and 'Mobile Applications'. The 'Find a Location' card is highlighted and contains the text: 'The service providing search engine for MNGHA clinics locations and contact information to facilitate visitors to reach o...' and buttons for 'Website' and 'Service Details →'.

3- search by selecting city then building and typing clinic name as following:

The screenshot shows the 'Find a Location' search interface. It features a search bar with a 'Listen' button and three input fields: 'Select City', 'Select Building', and 'Type Clinic Name'. Below the search bar, there are three search results cards, each displaying a clinic name, floor number, phone number, and location. The results are as follows:

| Clinic Name                          | Floor    | Phone Number                      | Location                            |
|--------------------------------------|----------|-----------------------------------|-------------------------------------|
| Clinic 101 Ob/Gyn Clinic             | Floor: 1 | +966-11-8011111 Ext: 18151, 18152 | Riyadh, King Abdulaziz Medical City |
| Clinic 102 Ob/Gyn Clinic             | Floor: 1 | +966-11-8011111 Ext: 17121, 17122 | Riyadh, King Abdulaziz Medical City |
| Clinic 103 Psychiatry and Psychology | Floor: 1 | +966-11-8011111 Ext: 17132, 17131 | Riyadh, King Abdulaziz Medical City |
